Western Junior Show...16 Years Strong!

We would like to extend our thanks to the dedicated parents and 4-H leaders who encourage their kids to attend the show each year. Your support is greatly appreciated! The focus of the Western Junior show has always been to have fun. At the same time, participants gain hands-on knowledge from volunteers and begin to experience the joys of competitive showmanship in a supportive environment where everyone walks away with a prize. We hope you enjoy this year's show and we look forward to seeing you again in the future! - The 2018 Organizing Committee
